Dear President Conoley:

At a recent Los Angeles County Commission for Women regular meeting, Commissioner Charlotte Lesser brought to our attention your appointment as the newest President of California State University, Long Beach, and the first woman to be appointed to that position in the school's 65 years history.

In an ongoing effort to honor and applaud the achievements of women in the County of Los Angeles, the Commission extends our collective congratulations on this well-deserved appointment and for your innumerable other accomplishments in the field of education, setting an outstanding example for all, but especially for women.

Again, we congratulate you and encourage you and your staff to reach out to the Commission in areas where we may have opportunities to join in with you to “educate, motivate, and inspire” women in Los Angeles County.

Sincerely,

Becky A. Shevlin, President
LACCW
